

For 95% of allergens, HC16 is the end of the line.

Step right up, indoor air pollutants. It's time to meet the new Healthy Climate® 16 Media Air Cleaner (HC16), exclusively from Lennox. Designed to work with new or existing heating and cooling systems, the HC16 is the most efficient in-line media filtration available. It requires no additional power source, no cleaning and produces no ozone. Yet powerfully outperforms even the best single-room portable air cleaners - making the entire home cleaner, healthier and more comfortable for everyone. Well, almost everyone. To learn more about this or any of the other innovative home comfort solutions from Lennox, call 1-800-9-LENNOX or visit www.Lennox.com.
