

Let's just say they have hot a little bothered.

No wonder he's so hot. He's got the XC15 Air Conditioner and XP15 Heat Pump from Lennox to deal with. Not only are they the quietest air conditioners and heat pumps on the market, but they're also extremely efficient—saving your customers hundreds of dollars in energy bills and keeping hot steaming mad all year long. To learn more about these or any of the other innovative home comfort solutions from Lennox, call 1-800-9-LENNOX or visit www.Lennox.com.
