

HEAT PUMP
WATER HEATERS

Lower energy. Everyday comfort.

Heat pump water heaters are a highly energy-efficient option compared to traditional water heaters, helping you save on utility bills while reducing environmental impact. With quiet operation and convenient app control, a Lennox heat pump water heater is a smart, efficient way to get reliable hot water for your home.

No Worries. It's a **LENNOX**™

HEAT PUMP WATER HEATERS

Reliable hot water for everyday life.

Capacity

Options to meet your hot water needs

Our heat pump water heaters are available in **40 to 80 gallon capacities**, giving you the flexibility to choose a model that best fits your household's size and hot water usage.

Made to Last

Engineered for durability

Designed to provide years of trouble-free service, our water heater tanks are made of high-quality, heavy gauge steel and glass-lined with **PermaClad™ for optimum corrosion protection**. Dual cathodic protection, featuring both a powered and a magnesium anode, further enhances rust prevention to extend tank life.

FillSafe Protection™

FillSafe Protection™ technology safeguards the components of the tank from damage if the tank is not properly filled with water for increased durability.

Quiet

Comfort you don't hear

Our heat pump water heaters operate at sound **levels as low as 45 dB**, or the sound of a refrigerator, for a more peaceful environment.

Efficient

Exceptional efficiency

With top-tier efficiencies of **up to 4.01 Uniform Energy Factor (UEF)**, this heat pump water heater can deliver significant energy savings. In fact, it can help **cut your energy bills by up to 75%** compared to traditional electric water heaters.

Smart

Routine-learning technology

Thanks to its I-Memory Algorithm, this product **can learn your routine and water usage patterns** to ensure you have hot water when you need it and save energy when you don't. The scheduling feature also lets you program your hot water availability for the day, so you can make sure it's ready for use when you want it.
