

Lennox® dehumidification systems:

Allow for greater comfort by doing away with stuffy, sticky air and fighting against mold and mildew throughout the whole home

Eliminate the need for portable dehumidifiers that consume more energy and call for routine maintenance

Tackle your entire home at once by integrating with your system

Reduce the number of indoor allergens and pollutants, providing healthier indoor air

Produce zero ozone, keeping your family safe and healthy

Can be controlled through your iComfort® smart thermostat

Do not require variable-speed indoor units to operate
