

ENERGY REBATES

POWERED BY THE AMPLIFY™
PLATFORM FROM LEIDOS.

REBATES SHOULDN'T SLOW YOU DOWN — AND NOW, THEY WON'T.

We've partnered with **Leidos**, a Fortune 500 energy intelligence leader, to bring you a smarter, faster way to access mid-stream utility rebates on qualifying Lennox commercial equipment.

Through the **AMPLIFY™ platform**, your team can unlock more value on every project — with less paperwork, less waiting, and no financial burden.

WHAT THIS MEANS FOR YOUR BUSINESS

- **Weekly Rebate Credits** — Get rebate payments directly from us on a weekly basis, instead of waiting 6–8 weeks from utility providers.
- **No More Upfront Costs** — You stay cash-positive; we eliminate the need for contractors to float rebate amounts to customers.
- **Centralized Access** — One login connects you to every Lennox-supported utility rebate program across North America.
- **Frictionless Submissions** — Submit claims in under 5 minutes — no forms, no mail, no chasing approvals.
- **Training & Support** — Your team receives guided platform training to start claiming rebates confidently from day one.

WHY IT MATTERS

By centralizing rebate access, accelerating payouts, and managing the utility relationship for you, the AMPLIFY™ platform gives your business a competitive edge — improving profitability, simplifying workflows, and delivering a better experience for your customers.

MORE OPPORTUNITIES. LESS FRICTION. LET'S BUILD SMARTER TOGETHER.
